

# HWA EMPLOYMENT OPPORTUNITY

## Construction Inspectors / Engineering Technicians

Are you looking for a challenging, supportive, and flexible work environment with competitive benefits, and the support and freedom to succeed?

HWA has an opening for an experienced **field technician/inspector**. Pay is based on experience and certifications. The position requires:

- Three years experience in construction inspection and testing of soils, asphalt, aggregates and concrete.
- ACI/ICC certifications for sampling and testing concrete.
- Knowledge of the current WSDOT Standard Specifications and Materials Section of the WSDOT Construction Manual.
- Only experienced individuals with current certifications need apply.
- Radiation Safety Training and familiarity with the use of Portable Nuclear Density Gauges
- The ability to prepare clear and intelligible hand-written and computer-rendered reports of field observations.

To apply, submit a detailed résumé to Tony Martin, HWA GeoSciences Inc., 21312 30th Drive SE, Suite 110, Bothell, WA, 98021.7010. Or send a PDF of your resume to [Tony Martin](mailto:Tony.Martin@hwageo.com) with “Inspector Position” in the subject line.
