

# HWA EMPLOYMENT OPPORTUNITY

## *Environmental Geologist or Hydrogeologist*

HWA has been providing geoscience services since 1978 (see [HWAgeo.com](http://HWAgeo.com) for details) and offers competitive compensation, excellent benefits and a challenging, collaborative, and fun work environment.

HWA GeoSciences Inc. is seeking an environmental geologist or hydrogeologist for our Bothell office.

Duties include:

- field work for a variety of site investigations (geology, hydrogeology, environmental consulting, and geotechnical engineering)
- data collection and evaluation
- report writing, leading to project management

A qualified applicant should have a BS or MS in geology or hydrogeology, 40-hour HAZWOPER training, strong communication and organizational skills, and 1-5 years of experience. Geotechnical, construction, GIS, or other skills a plus.

To apply, submit a detailed résumé to Arnie Sugar, HWA GeoSciences Inc., 21312 30th Drive SE, Suite 110, Bothell, WA, 98021.7010. Or email your resume with “Environmental Geologist or Hydrogeologist Position” in the subject line, to Arnie Sugar at [asugar@hwageo.com](mailto:asugar@hwageo.com).
