

HWA EMPLOYMENT OPPORTUNITY

Senior Hydrogeologist

Are you looking for a challenging, supportive, and flexible work environment with competitive benefits, and the support and freedom to succeed?

HWA GeoSciences Inc. is a geotechnical/geoscience firm located in Bothell, Washington, seeking a senior hydrogeologist. Duties include:

- Technical project work
- Project management
- Business development
- Staff training/mentoring

A qualified applicant should have a minimum 15 years of experience, MS in geology/hydrogeology, LG/LHG, and have practiced in the Pacific Northwest. In addition to proven leadership and business development skills, candidates should have technical competency in some/all of the following areas:

- Water supply
- Water rights
- Dewatering
- Infiltration
- Solid waste
- Contaminated site investigation and cleanup
- Regulatory compliance

Any specialized expertise within this range of skills, coupled with proven client focus, project management, leadership, and business development skills, could lead to management and ownership opportunities at HWA for the right person.

To apply, submit a detailed résumé to Arnie Sugar, HWA GeoSciences Inc., 21312 30th Drive SE, Suite 110, Bothell, WA, 98021.7010. Or email your resume with “Senior Hydrogeologist Position” in the subject line, to
